

City of Graham Residential Appearance Award Guidelines

What is the Graham Residential Appearance Award?

The City of Graham Appearance Commission recognizes the hard work and pride exhibited by residents who beautify their yard and contribute to the aesthetic appeal of our community. This award is intended to inspire others in their yard and to improve the overall quality of life in Graham.

What are the rules?

- Only residential properties, either owner-occupied or rented, are eligible
- The upkeep of the yard can reflect the efforts of the residents themselves or that of a professional landscaper
- Anyone may nominate a yard, whether they live in the City or outside the City, but the yard needs to be located within the City limits or ETJ
- The judges may also nominate yards
- Each yard is limited to winning the award only once in any two consecutive calendar years

What are the evaluation criteria?

Graham Appearance Commission members will judge residences using the criteria in the Residential Appearance Award scoring matrix. After narrowing it down to three properties based on the highest score the Commission will discuss each choice to determine a winner. All judge's decisions are final.

When will judges decide?

Each season Spring, Summer, Fall, and Winter a new home will be selected for the award. Award winners will be selected in May, July, September, and December.

What happens if I win?

Winners are honored as follows:

- A Residential Appearance Award yard sign will be provided by the City to the award recipient for one month following the award, to be placed in the front of the house or in the side yard.
- A picture of the yard with the award recipient's permission will be placed on the City's Facebook page as well as a congratulations note on the City water bill. A press release will also be sent with a request for publication to local news outlets.

How do I nominate a yard?
