†Applicable System Development Fee(s) for development requiring smaller or larger water meters will be calculated on a project specific basis using rates and methodology identified in the City's System Development Fee Analysis.

‡Equivalent Residential Unit is approximate multiplier adapted from AWWA Manual of Water Supply Practices-M1, Principles of Water Rates, Fees, and Charges.

*120 gallons per day per bedroom (min. 2-BR)

Notes:

- (1) Water and Sewer Development Fees are based upon the number of bedrooms proposed for standard residential meter connections. Water and Sewer Development Fees for other metered connections are based upon the meter size of the connection.
- (2) Any item not included in the above schedule shall be referred to the City Manager for a specific price determination.
- (3) Except for development involving the subdivision of land, the above fees are payable at the time of application for connection. For development involving the subdivision of land, System Development Fees shall be paid at the time of plat recordation or when water or sewer service is committed by the City, whichever comes first.
- (4) Projects may pre-pay water and sewer development fees after construction plan approval or after water and sewer permit issuance. Pre-payment will be based upon the applicable the fees at that point in time. Prepayment of fees will not be impacted by future changes in fees in that no fees will be returned due to reduced fees nor additional fees charged due to increases in fees.
- (5) Projects that have active building permits but have not paid System Development fees have 30 days from July 1, 2022, to pay rates under the former water and sewer connection fee schedule.
- (6) Owner or Developer is responsible for providing taps for all non-standard types, sizes and zoning classifications except for fire suppression taps in the #1 fire district where taps will be provided by the City and for standard residential taps as noted above.
- (7) Owner or Developer is responsible for providing meters meeting City of Graham Standards and Specifications for all other types, sizes and zoning classifications for all meters above $\frac{3}{4}$ " in size.
- (8) Owner or Developer of a residential subdivision, as defined *Section 10.336* of the City of Graham Development Ordinance, is responsible for furnishing water and sewer taps in which tap fees will not be charged.
