Due to NC Wildlife's construction crews being re-directed to the rebuilding efforts from Hurricane Helene, the renovation of our launch ramps has been postponed. It is expected to begin in the August to October, 2025 timeframe, but may begin earlier or later. The closure of our launch ramps during renovation will have an as yet unknown effect on our Big Bass and our Second Chance Tournaments. Among other possibilities, the tournaments may be shortened by several months, individual months may be shortened (i.e., close or open on different dates), or the date for the Fish-Offs may be changed. There are too many unknowns to state exactly what the Tournaments' changes will be.

However, we will still have eight entrants fishing in the BBT Fish-OFF. For each month without a BBT winner, another leader from the 2nd Chance Fish-Off will be added to the BBT Fish-Off. For example, if the launch ramps are closed for August and September leaving the BBT with only five monthly winners, the top three finishers (instead of only the top finisher) in the 2nd Chance Tournament Fish-Off will move on to the BBT Fish-Off.

By signing below, Big Bass Tournament and 2nd Chance Tournament entrants acknowledge they have read this statement and agree to abide by the changes and decisions made to keep the Tournaments active.
